The minutes of the meeting of the Overview and Scrutiny Committee (O&S) held on 21 April 2022 were confirmed as a correct record.

#### O&S.02/22 URGENT BUSINESS

Since this was the first Committee meeting of the 2022/23 Municipal Year, the Chairman and Vice Chairman both gave thanks to Cllr John Birch for his exemplary chairing of the Committee for the last three years. Thanks were also given to Cllrs Pennington and O'Callaghan for their years of service on the Committee.

#### O&S.03/22 DECLARATIONS OF INTEREST

Members and officers were invited to declare any interests in the items of business to be considered during the course of the meeting, but there were none declared.

#### O&S.04/22 PUBLIC FORUM

In accordance with the Public Forum Procedure Rules, the Chairman informed that no questions had been received for consideration.

#### O&S.05/22 THIRD PARTY PARTNER

#### (a) LIVEWEST

The Committee was addressed by Mr R Baldwinson and Ms S Brown who gave a presentation outlining the work of LiveWest and its relationship with South Hams District Council (SHDC).

During the question and answer session, the following points were made:

- In response to SHDC declaring a housing crisis, LiveWest had met with officers to discuss this, and confirmed that creating more outlets, prioritising delivery of affordable housing, and prioritising land for affordable housing would help towards solving the crisis.
- 'Right to Buy' caused issues as a property sold took four years to replace, and often could not be replaced due to issues with land availability.
- The LiveWest representatives confirmed that they pursued debt for rent but were also aware that an eviction could lead to people being made homeless. When questioned, it was confirmed that there had been no evictions in the South Hams area last year.

The Chairman then gave thanks to the LiveWest representatives for their excellent presentation.

#### (b) **SOUTH WEST MUTUAL**

Mr T Greenham of South West Mutual gave his presentation to the Committee, outlining the progress of the Mutual.

During the question and answer session, the following points were made:

- SHDC was one of the major shareholders of the Mutual, who had one vote amongst 100. Updates were sent regularly to SHDC as a shareholder and the Section 151 Officer attended each Annual General Meeting. The Section 151 Officer confirmed that she would ensure she reported back after the next meeting.
- More investment was being sought for the next stage of the project. It was confirmed that if sufficient funds were not received, the Mutual would be disbanded with no liability to the Council.
- The legality of working with other mutuals was still not clarified: South West Mutual was waiting to hear from the Secretary of State for Business but accepted that this was unlikely to be a priority for the Secretary of State.

The Chairman gave thanks to Mr Greenham for his interesting and informative presentation.

# O&S.06/22 BETTER LIVES FOR ALL THEMATIC UPDATE: COUNCIL SERVICES

Following the Council's adoption of the Better Lives for All Strategy in September 2021, the Committee was provided with an update on the Council Services strand of the Better Lives for All Strategy.

Each project that was not on target, as outlined in Appendix A of the attendant report, was then reviewed in turn:

CS1.1: It was confirmed that, although this strand was off track, it was hoped that it would be back on track within six months. Following a question from a Member, the officer stated she would look into the proposed mobile solution for locality officers and would email the Committee with her findings.

CS1.2: The Leader confirmed that opening hours for the reception at Follaton House was being reviewed. Hours of opening would be reduced to help promote channel shift as everything was now offered online, which was a much more efficient, and cheaper, way to respond to customer queries. However, it was noted that there would always be some individuals who needed face to face and/or telephone exchanges with the Council.

With regards to CS1.3 and CS1.4, following Member discussion, it was agreed that the Chairman of the Overview and Scrutiny Committee would write to the Executive Lead Member to ask if she wished input from the Committee, as a 'critical friend', in consultations and resident engagement.

#### O&S.07/22 PROGRESS OF RECRUITMENT ON FUTURE LAWYERS

It was noted that all five vacancies within the Legal Services Team were currently being advertised. The closing date for applications was 20 June 2022. A report on the progress of the recruitment would be brought to the next meeting of the Committee, on 21 July 2022.

A Member of the Committee stated that the Council carrying five lawyer vacancies was not acceptable and had impacted on some actions of the Council. The Member proceeded to call for a task and finish group to be set up to examine the workings of the legal services team and to come forward with options to make it more efficient and effective. The Director of Governance and Strategy confirmed that agency lawyers, other local authorities, and external consultants had been used when necessary, but he was happy to respond to individual situations outside of the meeting. It was confirmed that two new posts had been created in Autumn 2021 to support the Monitoring Officer, pay had been reviewed alongside an internal review of the team, including a skills set review.

Following the debate, where several Members stated their belief that all was already being done to fill the vacancies it was therefore felt that a task and finish group review was unnecessary and the request for a task and finish group was declared **LOST** at the subsequent vote.

#### **O&S.08/22 TASK AND FINISH GROUP UPDATES**

#### a) Housing

The final report would be available for the Executive meeting on 7<sup>th</sup> July and the work of the Task and Finish Group would then be completed.

It was then:

#### **RESOLVED**

That the Overview and Scrutiny Committee **NOTE** the above and **ACKNOWLEDGE** that the Committee Chairman and Vice-Chairman would collate the examples before these would then be relayed to the Executive.

#### O&S.09/22 ANNUAL WORK PROGRAMME 2022/23

The latest version of the draft annual work programme for the coming fiscal year was reviewed and approved by the Committee.

(Meeting started at 2:00 pm and concluded at 4:25pm)

#### **PUBLIC QUESTIONS AT OVERVIEW AND SCRUTINY COMMITTEE MEETINGS**

There is a period of 15 minutes at meetings of the Overview and Scrutiny Committee during which members of the public can ask questions about items on the agenda.

Any member of the public who wants to ask a question should ensure that the question:

- a) is no more than 50 words in length;
- b) is not be broken down into multiple parts;
- c) relates to an item included on the agenda; and
- d) is suitable to be considered. A question will not be suitable if, for example, it is derogatory to the Council or any third party; relates to a confidential matter; it is about a specific planning matter; or it is substantially the same as a question asked in the past six months.

Questions should be sent to Democratic Services (<a href="Democratic.Services@swdevon.gov.uk">Democratic.Services@swdevon.gov.uk</a>) by 1.00pm on the Monday before the meeting (the deadline will be brought forward by a working day if affected by a bank holiday). This will allow a detailed response to be given at the meeting. If advance notice of the question cannot be given the Chairman of the meeting has the discretion to allow questions on matters that are felt to be urgent;

For any further advice on questions to the O&S Committee, or to request a copy of the full Public Questions Procedure Rules, please contact Democratic Services (Democratic.Services@swdevon.gov.uk)

Thematic Progress Update
July 2022

### **Lead Member Introduction**

This report is the first thematic update report on the progress we are making against our Better Lives for All theme of Stimulating a Thriving Economy.

Cllr Hilary
Bastone
Lead Member
for stimulating
a thriving
economy

Since adopting our Corporate Strategy in September 2021, we have made significant progress against the actions set out in our plan.

Some of the recent highlights include:

- ✓ Working up bids for Government Levelling Up Fund and UK Shared Prosperity Fund to deliver our priorities:
  - Farming, Active Travel, Marine Economy, Business Support
  - Priority infrastructure Lee Mill West Bound Off Slip
- ✓ Securing Freeport Status for Plymouth and South Devon Freeport
  - £25m of Government funding
  - Securing investment
  - Creating jobs
- ✓ Continuing to promote South Hams through our #MyPlace campaign
- ✓ Agreeing a 3 year partnership agreement with Visit Devon
- ✓ Completing a £170,000 programme of activities to support our high streets through the Government Welcome Back Fund
- ✓ Commenced discussions with organisations in South Hams to develop a 3-year marketing strategy for the area

Each action has a number of activities and the following table sets out the progress against those specific activities.

| 6                      | place                                     | 1  | 0                               |
|------------------------|---|--|---------------------------------|
| Activities on<br>Track | Activities slightly off track but plan in | Activities at risk of not completing as agreed | Activities not yet due to start |

While there has been a lot of positive progress in most actions, unfortunately our plans for a £9m investment in lyybridge have been impacted and planning permission for the scheme has not been granted. As a result, the next quarterly performance management report to Executive will recommend removing this as an action within the delivery plan.

Over the coming pages, we set out more in-depth updated for each action and subsequent activities.

Cllr Hilary Bastone

Cllr Hilary Bastone

Deputy Leader and Executive Lead for Economy

#### Action TE1.1 Enhancing the coastal areas

#### **Key Highlights**

- The marine sector is playing a key role within our Shared Prosperity Fund (SPF) investment plan for the South Hams this will greatly enhance our evidence base on our coastal economies and how we can best support them
- Town centre health reports data being collated using gazetteer information; car parking usage and vacant unit statistics are being collated to provide baseline information for each town; footfall data collection is being explored.

#### Key Risks / Issues

Although unlikely, the investment plan could be rejected by Government

#### Looking ahead to the next 6 months

- Data gathering for town centre health reports should be completed.
- SPF investment plans will be submitted to Government on August 1<sup>st</sup> and should be determined by the end of October 2022

Overall Rating Green – On Track

#### Action TE1.2 Marketing and advertising of the area

#### **Key Highlights**

- Our #MyPlace campaign has seen a co-ordinated approach to promoting local places, shops, restaurants etc this also includes a focused campaign through the spring and summer where all town and parish councils have been asked to let us know of any events happening so that we can promote them to hopefully increase footfall.
- Talks have begun with external partners to develop and implement a three-year marketing strategy

#### **Key Risks / Issues**

N/A

#### Looking ahead to the next 6 months

Development of a three year marketing strategy for the area.

Continuing the promotion of our #MyPlace campaign

Overall Rating Green – On Track

# Action TE1.3 Development of a specific budget for the promotion of the visitor economy Key Highlights

- Discussions have taken place with several organisations, and there appears to be little
  interest in pooling resources. However, there is significant interest in working
  collaboratively to ensure that marketing campaigns are cohesive and have their impact
  maximised.
- Annual partnership agreement has been signed with Visit Devon for 3 years of activities to promote the South Hams visitor economy
- The Shared Prosperity Fund investment plan includes significant funding that will be put towards active travel and creating better links with our visitor attractions and natural capital. There will also be funding in place to support new posts within the placemaking service, which will enable greater capacity for promotional activities to be delivered

#### Key Risks / Issues

#### Looking ahead to the next 6 months

 Discussions with Visit South Devon are ongoing and will maximise the channels through which the South Hams visitor economy can be promoted

#### Action TE1.4 Provision of grants for our key towns and advice for businesses

#### **Key Highlights**

A number of grants were made available during 2021/22 to our towns in order for them to deliver schemes that would encourage people back into the highstreets on the back of the Covid-19 pandemic. Additionally almost £170,000 of government funding was utilised to promote our key towns and to deliver schemes that made a difference to the appearance of the street scene including additional street scene activities, bunting and planter dressing, replanting public areas etc – all to enhance the visitor experience.

We continue to commission Business Information Point to deliver business start-up advice across the area and await their latest report on progress.

#### **Key Risks / Issues**

#### Looking ahead to the next 6 months

Continued support to businesses through our contract with Business Information Point.

Overall Rating Green – on track

#### Action TE1.5 Enhancing Ivybridge as a retail and social destination with a £9m investment **Key Highlights**

Submission of a planning application to the agreed timetable was successfully achieved.

#### **Key Risks / Issues**

At the 7<sup>th</sup> July 2022 meeting of the Executive consideration was given to a report that presented an update on the Ivybridge Regeneration Project following the meeting of the Development Management Committee held on 6<sup>th</sup> July (where the Planning Application was considered and refused)

As a result of the discussions and following his update to the Executive, the Lead Member for Economy proposed that:

- 1. the lybridge Regeneration Project be now terminated; and
- 2. it be noted that £483,925 has been invested into this Project.

The recommendation was agreed by Members of the Executive.

#### Looking ahead to the next 6 months

Overall Rating RED - Not able to deliver

#### Action TE1.6 All of South Hams main towns will have had the opportunity to update or create a **Town Centre Plan by 2024**

- Linked with Neighbourhood Plans and other town engagement activities.
- Dialogue between Placemaking and the town councils regarding economic issues.

#### **Key Risks / Issues**

- Possible implications for Council resources.
- Town councils decide not to prepare a town centre plan.

#### Looking ahead to the next 6 months

Thriving Economy - Progress Update July 2022

- Development of a project plan and identify key milestones.
- Data gathering for town centre health reports should be completed.

Overall Rating GREEN – On Track

### Action TE1.7 – Develop starter units to provide affordable employment space and marine facilities

#### **Key Highlights**

We have continued with our plans for enhancements to marine facilities including

- **Batson Creek Commercial Units**: comprises the construction of five new commercial units to deliver 375m2 of new commercial floor space to support local marine businesses.
- **Batson Creek Harbour Depot:** comprise the construction of a new purpose built facility within SHDC's Batson Creek car park.

The schemes remain on budget but behind the original programme due to current challenges within the construction industry the schemes with revised estimated completion in Autumn 2022. The action was rolled forward from 2021/22 delivery plan and while not in line with the original capital plans, is in line with the strategy delivery plan.

#### **Key Risks / Issues**

• There continue to be unknown risks that could arise from the ongoing construction industry challenges and general supply chain.

#### Looking ahead to the next 6 months

• Completion of schemes in Autumn

Overall Rating GREEN – On Track (revised plan)

This update will be considered at South Hams District Council Overview and Scrutiny Meeting on 21st July at 2pm. Watch live on

### Agenda Item 8

Report to: **South Hams Overview and Scrutiny** 

Committee

Date: 21st July 2022

Title: Leisure Contract - Fusion Quarterly Update

Portfolio Area: Health & Wellbeing - Cllr Jonathan Hawkins

Wards Affected: All

Urgent Decision: N Approval and Y

clearance obtained:

Date next steps can be taken: Immediately

Author: Jon Parkinson Role: Specialist (Leisure) Assets

Contact: jon.parkinson@swdevon.gov.uk

#### **Recommendations:**

1 That the Overview and Scrutiny Committee note the contents and progress of Fusion's Quarterly Report for 2022.

#### 1 Executive summary

1.1 This report provides an update on current performance and the presentation summary for the past 3 months shown in Appendix A. This follows the annual report by Fusion at the April meeting.

#### 2 Background

- 2.1 The leisure sector is still facing difficult times following the recovery from Covid-19 in the operations of leisure centres. The energy crisis and the cost of living challenges has resulted in costs increasing and customers re-evaluating their memberships and usage levels, impacting on income levels for leisure operators.
- 2.2 The provision of leisure centres is a discretionary service. However the activities align with the Council's corporate strategic plan 'Better Lives for All' in providing quality services and community wellbeing. This includes increasing active participation in sport and leisure activities.

#### 3 Outcomes/outputs

3.1 The leisure contract sets out specific performance indicators which Fusion will deliver through its plans and targets, these include being a more active district, promoting community development, improving health and wellbeing of local residents, improving quality of services and delivering environmental improvements.

- 3.2 The attached quarterly presentation from Fusion highlights key performance areas and provides a look at key projects for the coming months ahead in regards to solar energy, the development of Totnes Leisure Centre as well as new membership options, health wellbeing and outreach work.
- 3.3 Overall leisure centre memberships in July '22 are at 80% compared to pre-Covid levels, 5,465 against 6,764 in March'20;

| Total                      | March 2020 | July 2022 | %   |
|----------------------------|------------|-----------|-----|
| Dartmouth                  | 560        | 450       | 80% |
| Ivybridge                  | 1,665      | 1,277     | 77% |
| Quayside<br>(Kingsbridge)  | 1,523      | 1,263     | 83% |
| Totnes                     | 1,117      | 780       | 70% |
| Meadowlands<br>(Tavistock) | 1,075      | 1,069     | 99% |
| Parklands<br>(Okehampton)  | 824        | 626       | 76% |
| Total                      | 6,764      | 5,465     | 80% |

Swim school has been in very high demand and overall memberships have nearly reached pre-Covid levels, being at 97% compared to March '20.

3.4 The latest national data on trends since leisure centres re-opened last year is taken from Sport England – Moving Communities; April '21 – January '22. Overall recovery in participation has been steady since Covid-19 restrictions were lifted but they have not returned to pre-pandemic levels. The national average being 71%. As well recovery has been slower in more rural areas, older facilities as well as major urban locations.

#### 4 Proposed Way Forward

4.1 A further update report will be provided at the September meeting, to include progress on the Sports, Community and Development Plan.

#### 5 Implications

| Implications     | Relevant<br>to<br>proposals<br>Y/N | Details and proposed measures to address   |
|------------------|------------------------------------|--|
| Legal/Governance | Y                                  | Leisure is a discretionary service. The management of the council's leisure centres are agreed in a formal contract agreement with appropriate reporting structures. |

| Financial  | Y           | The investment borrowing and contract arrangements were approved as part of the contract award. ### S106 update for Overview and Scrutiny Committee meeting April 2022 - Strengthening Community Wellbeing Delivery Plan (Open Space, Sport and Recreation)

The report to the Executive Committee on 16 September 2021 provided details of the Section 106 contributions held by the Council (at 31 March 2021) and how is it proposed to spend these contributions to enable the delivery of affordable housing, open space, sport and recreation and community facilities.

The total at 31 March 2021 was £5.879 million, with:

- £1.624 million for the Thriving Economy Delivery Plan (Langage Energy Centre, Employment and Sherford)
- £2.577 million for the Strengthening Community Wellbeing Delivery Plan (Open Space, Sport and Recreation)
- £1.678 million for the Homes and Built and Natural Environment Delivery Plan (Affordable Housing, Ecology, Tamar Special Area of Conservation, Air Quality, hybridge Mill Group and AONB Mitigation)

For each s106 contribution the report set out predictions for expenditure in 2021/2022, predictions for expenditure in 2022/2023, and which s106 contributions had no firm timescales for expenditure.

Strengthening Community Wellbeing Delivery Plan (Open Space, Sport and Recreation)

The predictions for expenditure for the Strengthening Community Wellbeing Delivery Plan were as follows:

- £818,842.05 predicted to spend in 2021/2022
- £704,981.74 predicted to spend in 2022/2023; and
- £1,038,618.22 with no firm timescale for expenditure

These figures were taken forward to the Corporate Strategy Thematic Delivery Plan, Action CW1.5 as shown overleaf.

S106 spend for Open Space, Sport and recreation projects in 2021/2022 is still subject to financial reconciliation, but Officer records show that £535,354 was spent in 2021/2022 on a total of 33 projects, with a further £441,077 allocated via grant offer letters to Town and Parish Councils and/or sports organisations. This makes a total of £976,431 either spent or allocated, which exceeds that within the Corporate Strategy Delivery Plan for 2021/2022.

#### Projects delivered included:

- Improvements to the surfaced footpath through the Bridgetown Green Corridor in Totnes;
- Resurfacing of Blackawton tennis court;
- Improvements to facilities at Meadowbrook, Dartington including improvements to the Community Centre, and the provision of a new woodland adventure bike track;
- Improvements to football and cricket facilities in Dartington;
- Purchase of grounds maintenance equipment for lybridge Bowls Club and Modbury Association of Recreation and Sport;
- Play area improvements/revamps in Bittaford, Ermington, Marldon, Modbury, Ugborough and Yealmpton;
- Refurbishment of the all-weather pitch at lvybridge Community College;
- Upgrade of Salcombe Yacht Club's topper fleet and purchase of a day boat for Salcombe Dinghy Sailing;
- Improvements to facilities in Stoke Gabriel including scout hut, cricket club and play area.
- Improved provision at Modbury Recreation Ground through refurbishment of Multi-Use Games Area and improved cricket practise facilities (improvements to lighting and drainage to follow in 2022/2023).

It should be noted that although there has been expenditure of s106 contributions, there are also incoming contributions as developments progress and the payment triggers in the s106 agreements are reached. Thus the amounts held on account will vary over time. Securing and receiving new s106 contributions should be viewed as positive for our communities.

A table listing the Section 106 contributions for Open Space, Sport and Recreation, including both those received and those which are signed and pending receipt once development progresses and payment triggers are reached, is available on the Council website. This was sent to all Town and Parish Councils, as well as Members, in August 2021. Now the end of the 2021/2022 financial year has been reached, the table will be updated to reflect the current position and re-sent to Town and Parish Councils and Members by the end of May 2022.

Members are actively encouraged to continue to engage with their Town and Parish Councils to facilitate the expenditure of section 106 contributions, to enable the delivery of new and improved facilities in their areas.
