**(a) Application No: 0257/19/VAR Ward: Mary Tavy**

**Site Address: West Liddaton Farm, Liddaton, Coryton**

**Application for variation of condition 2 following grant of planning permission 3842/17/FUL (Part retrospective)**

Case Officer Update: No further update

Speakers included: Supporter – Mr Peter Rowan; and local Ward Member – Cllr Pearce (reserved his speech for debate)

**RECOMMENDATION:** Conditional Approval

During discussion, and having been on a site visit, Members raised concerns over a number of the changes, but particularly were concerned at the appearance and position of the door on the southern elevation. If the application were to be approved, Members required a condition that would change the door to one of solid appearance. Concerns were also raised over the industrialisation of the building, but Members were advised that the future use of the building was not a reason for refusal of the application, although it might be a matter for investigation at a later date. Other Members with experience of bee keeping were surprised at the need for an air conditioning unit, and were disappointed that the need had not been taken into account as part of the recent original application.

**COMMITTEE DECISION:** Refusal

Reasons:

The insertion of an external doorway in the loft space of the southern elevation does not respect the character and appearance of the building and would cause visual harm to the area, contrary to Policy DEV20 of the Plymouth and South West Devon Joint Local Plan 2014-2034.
