RECOMMENDATION:

That the Executive:

- 1. notes that, in accordance with Financial Regulations, the s151 Officer has authorised the write-off of individual South Hams District Council debts totalling £57,837.35 as detailed in Tables 1 and 2; and**
- 2. approves the write off of an individual debt in excess of £5,000 totalling £237,831.07, as detailed in Table 3.**

1. Executive summary

The Council is responsible for the collection of: Housing Rents, Sundry Debts including Housing Benefit Overpayments, Council Tax and National Non-Domestic Rates.

The report informs members of the debt written off for these revenue streams. Debts up to the value of £5,000 can be written off by the s151 Officer, under delegated authority. Permission needs to be sought from the Executive to write off individual debts with a value of more than £5,000.

This report covers the period 1st January 2020 to 31st March 2020.

2. Background

The Council's sound financial management arrangements underpin delivery of all the Councils priorities, including the commitment to providing value for money services.

This report forms part of the formal debt write-off procedures included in these financial arrangements.

South Hams District Council's collection rates for 2018/19 were; Council Tax 98.24% & Business Rates 98.40%.

In the fourth quarter of 2019/20 the Council has collected £10.45 million in Council Tax and £4.71 million in Business Rates. The total collectable debt for 2019/20 (as at 31st March 2020) for Council Tax is £74.53 million and for Business Rates is £30.43 million.

Debts are recovered in accordance with the Council's Recovery Policy which is published on our website.

3. Outcomes/outputs

In accordance with good financial management principles the Council has, for the revenue streams detailed in this report, made a total bad debt provision of £3,323,053.53. This provision recognises that a proportion of the Authority's debts will prove irrecoverable and ensures that the value of debtors within the Authority's accounts is a fair reflection of the amount that will eventually be recovered.

All debts, taxes and rates within the Service's control are actively pursued, and in most instances are collected with little difficulty. In cases where payment is not received on time, a reminder will be issued promptly to the debtor. If this fails to secure payment, a final reminder and/or a summons will also be issued and if necessary the debt passed to an appropriate collection agent such as the Civil Enforcement Agents or the Council's Legal Department in order to secure payment.

Sometimes, however, if the debtor is having difficulty making the payment, special arrangements are used to effect recovery, and this may mean extending the period of time to collect the debt.

In some cases pursuit of an outstanding debt is not possible for a variety of reasons, such as bankruptcy or liquidation and such cases with arrears under £5,000 can be written off by the Section 151 Officer under delegated authority. Cases where the debt exceeds £5,000 must, however, be approved by the Executive prior to the debt being written off.

A record is kept of debts written off, together with the reason for doing so, so that if there is a realistic chance of recovery in the future a debt may be resurrected and pursued again.

The Service has access to Experian's Citizenvue database which is currently the most reliable means of tracing absconded debtors. Each case is checked against this system before a decision is taken to write off the

debt. A periodic review of write offs against this system may also be carried out to resurrect debts where appropriate.

4. Options available and consideration of risk

Executive can either approve to the debt being written off or not. Should the write off of an individual debt not be approved, it will remain on the appropriate system as an outstanding balance. In cases of insolvency there is no option available to the Council but to stop any action to collect the debt. With any case where the debt remains on the appropriate Council system, it may result in additional time and cost spent to pursue the debts when there is no realistic prospect of recovery.

5. Proposed Way Forward

The Executive approves the write off of individual debts in excess of £5,000 as detailed in Table 3.
