Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We are a large amateur community based members rugby club incorporating a running club, Erme Valley Harriers, with a membership across all sections of society without favour or discrimination. Our Objectives as noted in our Articles of Association are the promotion of rugby football for all. We are structured as a Public Company Limited by guarantee. We have worked hard over a number of years to develop our club and facilities and build a good reputation within the community, which we value highly. We consider ourselves a community stakeholder with responsibilities beyond the confines of the club, to the community as a whole. We will work with all local agencies to achieve our shared aims.

b) The prevention of crime and disorder

The premises will be open primarily for club members and guests for sports and social purposes. Public attendance of activities, events and functions at the premises can be expected, especially during external hirings.

Public attendees are charged a premium on their drinks and cost of entry to events, this promotes the benefits membership.

Use of plastic containers for all match days and larger events, during these times glass may not be taken beyond the confines of the upper floor area.

Off-Sales will be sold in sealed containers only.

We have club disciplinary system with sanctions which can be applied to members for poor behaviour, guests and non-

Continued from previous page...

members can be subject to sanctions.

All staff will be trained in the requirements of the Licensing Act 2003 as soon as they are recruited, along with regular training and updating. This will include use of the mobile bar on the patio area and control of consumption of alcohol in the outside areas. Additional suitably trained stewards may be required during busy periods to monitor the outside areas.

All staff responsible for alcohol sales shall be suitably trained for their job function in the operating standards for the premises. The training shall be under constant review having regard to newly employed staff.

All staff shall be suitably trained in the operating procedures for refusing service to any person who is drunk or is under-age or appears to be under-age.

Training shall be recorded in documentary form that will be available for inspection at the request at all reasonable times by an authorised officer from a relevant responsible authority. The records will be retained for at least 12 months.

All staff shall be trained in the requirements of the Challenge 25 policy

An incident book will be kept to record the details of all instances of refused sales together with the description of the customer and reason for refusal must be recorded. The incident book must be made available to the Police and Weights and Measures (Trading Standards).

CCTV system is installed and operative at all times while the premises are trading and the equipment must be maintained to the satisfaction of the chief of police. Recorded images will be retained for 31 days and made available to Police Officer on request, at any reasonable time. If the CCTV equipment is inoperative the Police and Licensing Authority will be informed as soon as possible and immediate steps must be taken to put the equipment back into action. A notice will be displayed at the entrance to the premises advising that CCTV is in operation.

c) Public safety

There will be adequate arrangements for first aid provision. A first aid box with an adequate and appropriate supply of first aid equipment and materials will be available for the use of patrons. We have a Defibrillator available on site for emergency use.

Suitable protective equipment must be provided to deal with hypodermic needles, blood spillages and other body fluids. Procedures will be in place to ensure that body fluids are dealt with in a safe manner to avoid the risk of communicable disease.

The electrical system, including portable appliances, will be inspected visually annually by a competent person to ensure safety.

The gas system including appliances will be inspected and tested by a Gas Safe Registered engineer annually and a satisfactory gas safety certificate will be obtained, all safety certificates and inspection reports will be kept on site and made available for inspection by officers of relevant statutory bodies.

When disabled people are present, adequate arrangements will exist to enable their safe evacuation in the event of an emergency, this is noted on our Fire Risk Assessment.

Gangways, exit routes and steps must be maintained in good order with non-slippery and even surfaces, edges of steps and stairways must be conspicuously marked.

d) The prevention of public nuisance

Continued from previous page...

Noise or vibration will not emanate from the premises such as to cause persons in the neighbourhood to be unreasonably disturbed.

Suitable signage will be provided at relevant exits requesting patrons make as little noise as possible when leaving the premises and vicinity as quietly and quickly as possible. Staff will ensure the outside areas within our boundary are also vacated after the closure of the premises.

External doors and windows can be shut, other than for access and egress, in all rooms, when events involving amplified music or speech or other entertainment gives rise to noise liable to affect local residents. There is an air extraction system which is sufficient to provide the air change needed provided some windows are partially open.

The volume of amplified sound used in connection with the entertainment will at all times be under the control of the management.

A senior member of staff will assess the impact of any noisy activities on neighbouring residential premises at the start of the activity/entertainment and periodically throughout the activity/entertainment.

Any rubbish stored outside and produced by the premises awaiting collection for disposal, will be stored securely in a designated area, to prevent litter being blown around.

The delivery of goods will be restricted to between 07:00 and 19:00.

Rubbish bins outside the premises will be kept to a minimum and only be emptied during opening times.

Ventilation equipment will be regularly cleaned and maintained to minimise the levels of odour generated by the premises.

e) The protection of children from harm

Under the Challenge 25 policy any person who appears to be under the age of 25 years will have to provide valid identification before they are allowed to purchase alcohol or consume alcohol on the premises. The only forms of identification accepted will be a valid photo driving licence, passport or recognised PASS Scheme ID.

Children are allowed on the premises only with adult supervision. We have an appointed Safeguarding Officer and support team as part of the requirements by the RFU to provide rugby training to minors. We follow the safeguarding procedures set down the RFU including use of the Disclosure and Barring Service (DBS).

As noted on the licence application Section 16 we will have no activities which may give rise to concern in respect of children.

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
