**RECOMMENDATION:**

**That Council approves the making (adoption) of the North Tawton Neighbourhood Development Plan.**

**1. Executive summary**

- 1.1 Neighbourhood Development Plans are a community right introduced by the Localism Act 2011. They are the responsibility of Parish Councils.
- 1.2 Once 'made', or adopted, by the Local Planning Authority, they become a part of the Development Plan for the Borough and are used alongside the Local Plan to decide planning applications in the area they relate to.
- 1.3 In order to comply with the Neighbourhood Planning (General) Regulations 2012, the plan must be made by West Devon Borough Council as the relevant Local Planning Authority within 8 weeks of a successful referendum result.

**2. Background**

- 2.1 The North Tawton Neighbourhood Plan has been undertaken by North Tawton Parish Council in accordance with the relevant legislation and regulations.
- 2.2 The North Tawton Neighbourhood Area was designated on 25<sup>th</sup> June 2013.
- 2.3 Following the necessary community engagement, consultation and background work, a draft plan was submitted to West Devon

- Borough Council on 3<sup>rd</sup> April 2019, in accordance with Regulation 15 of the Neighbourhood Planning (General) Regulations 2012.
- 2.4 The Borough Council consulted on the draft plan between 8<sup>th</sup> April 2019 and 20 May 2019, in accordance with Regulation 16 of the above Regulations.
  - 2.5 Following this consultation an independent examiner was appointed in accordance with Regulation 17, who confirmed that, subject to minor modifications, the plan met the 'basic conditions' as set out in legislation, and was suitable to go forward to referendum.
  - 2.6 The Council agreed with the Examiner's conclusion, and a referendum held on 6<sup>th</sup> May 2021 achieved a turnout of 35.21% of local residents. Of these, 87% voted in favour of the plan.
  - 2.7 Following a majority vote in a referendum to 'make' the plan, it becomes a statutory part of the Local Development Plan and is used alongside the Joint Local Plan to help decide planning applications in the Neighbourhood Area.
  - 2.8 Council officers have worked alongside the North Tawton Neighbourhood Plan Group to ensure that the Neighbourhood Plan provides an appropriate framework for development in the North Tawton area up to 2034.
  - 2.9 Officers confirm that the plan meets the necessary 'basic conditions', including conformity with the Local Plan and with national policy.
  - 2.10 Regulation 18a of the Neighbourhood Planning (General) Regulations 2012 requires that a neighbourhood plan is 'made' by the Local Planning Authority no later than 8 weeks from the date of a successful referendum. In this case the relevant date by which the plan should be made is 30<sup>th</sup> June 2021.
  - 2.11 The Council has previously expressed support for neighbourhood plans as a way of achieving local and community priorities.

### **3. Outcomes/outputs**

- 3.1 Once made, the North Tawton Neighbourhood Development Plan will become part of the Local Development Plan and will be used to help decide planning applications in the North Tawton area.
- 3.2 A successful outcome for this neighbourhood plan will provide encouragement to the many other Parishes who are currently working on neighbourhood plans.

### **4. Options available and consideration of risk**

- 4.1 Neighbourhood Plans come into force as part of the Development Plan immediately following a successful referendum. Therefore the North Tawton Neighbourhood Plan should now be used to decide planning applications.
- 4.2 However, in order to comply with the relevant legislation, the Local Planning Authority must make a neighbourhood plan within the required timeframe following a successful referendum, unless a legal challenge has been brought in relation to the referendum or unless there are concerns about the compatibility of the

neighbourhood plan with any EU or human rights legislation. In this instance there are no such concerns.

- 4.3 Failure to make the North Tawton Neighbourhood Plan within the required timeframe could open the Council to legal challenge.
