### **Kingsbridge received three responses:**

I would support a continuation of the order for both Kingsbridge.

This system works well 99% of the time and Kingsbridge is a much better, friendlier and safer place to live, work and relax. With the PSPO in place in Kingsbridge the quality of life for locals very much improved. Please keep the system which have all grown to live with in place. Would it be possible to include Redford Meadow on the list of banned areas?

The current Public Space Protection Order - Alcohol for Kingsbridge was considered at the council meeting held on 8 December 2020. Members recommend that the current PSPO is fit for purpose and request that nil changes are made.

### **Police Neighbourhood Team response:**

There are many reports relating to instances of ASB. It is reasonable to state that many of the incidents will be alcohol related, where alcohol consumed in the pubs or elsewhere. The no drinking restriction is publicised with signage and is fairly well known throughout the town. Without the PSPO I have no doubt that we will see a rise in street drinking at some point, be it vagrants travelling through or youth. **The PSPO is required to give officers the tools to deal with street drinking in this area that is frequented by shoppers, families etc.**
