1. Executive summary

The purpose of this report is to provide Members with the opportunity to scrutinise the work of the South Devon and Dartmoor Community Safety Partnership (CSP).

2. Background

The CSP operates across Teignbridge, South Hams and West Devon and is a statutory partnership.

The CSP works collaboratively across Devon and the Peninsula to tackle issues such as child sexual exploitation, modern slavery, drug misuse, prejudice related crime, preventing violent extremism and domestic violence and abuse.

The CSP delivers activity against a wide range of statutory legislation which continues to expand with the introduction of the Serious Violence Duty. The Home Office are currently undertaking a review of Community Safety Partnerships.

3. Outcomes/outputs

The CSP sets its priorities each March, with all partners using information from the Devon Strategic Assessment and also the Police and Crime Plan. The CSP also responds to emerging risks. CSP Staff attend fortnightly tactical meetings with Police.

The focus of the CSP is addressing areas where risk of harm is the most significant for our communities. A significant priority for the CSP has been violence prevention and tackling violence against women and girls.

The outcomes of the CSP are monitored at each CSP meeting through the Local Delivery Plan (LDP).

In 2022/23 the CSP received a £12,000 grant of violence reduction funding from the OPCC. This funding plan is developed alongside the Local Delivery Plan.

- Developed the Let's Talk project which aims to provide awareness, tips and techniques for parents and carers of children cover a range of community safety issues.
- Developed a toolkit for parents which we delivered through three, hour long sessions over Teams.
- This project has so far been a resounding success with 2497 engagements to date and 99% of attendees saying they would recommend this course to others.
- For the first time the CSP has used paid advertising to promote the sessions and as can be seen from the maps below this project has seen significant interest from across the world.

- 86% of attendees felt better able to support their young people, with a further 12% they maybe.
- We have been overwhelmed by the feedback from parents and carers attending the training.

"The work you are doing is VITALLY important. I have been feeling so alone and isolated as a single parent. This has made me feel supported in just an hr and a half."

*"The session was amazing. It's been so hard throughout the pandemic to support my three teenagers as there's been so much uncertainty for them. There's so little for parents and the world our teenagers are growing up in now is very different to the world that we did. **These sessions are so needed to help us as parents,** so thank you."*

*"This has been the best online service I have ever been on...thank you. **worth every minute** of our time and yours."*

"Thank you for organising these insightful events. I thought I was already quite informed due to my job role, however, I learnt a lot from this event."

- The latest series of events have been funded jointly by all CSPs in Devon whilst being run by our CSP. Plymouth and Cornwall CSPs are delivering sessions through our CSP in February and March.
- Due to the success of the project we will be bringing partners together in March to see how we can further develop the initiative.

3.3 Additional achievements specific to West Devon

- The CSP has been engaged in Channel Panel multi-agency meetings around individuals where there is concern that they may be vulnerable to radicalisation.
- The CSP has been working closely over the past year with Inspector Mike Warriner and look forward to working with our new Police Inspector for West Devon, Inspector Chris Conway.
- Regular Tavistock and Okehampton matters meetings have taken place included elected members and police. These meetings are being expanded to become West Devon North and West Devon South meetings with the new Police Inspector.

3.4 Achievements in Anti-Social Behaviour – West Devon

This report covers the period 1st October 2021 to 30th September 2022

John Ward, the ASB Officer continues to chair a monthly ASB meeting, which is regularly attended by Police, Registered Social Landlords, South Hams District Council and Community Mental Health Team. At this meeting individuals causing anti-social behaviour are discussed, together with vulnerable adults. As a snap shot the meeting in October 2021 one vulnerable adult was discussed and two individuals causing ASB. In September 2022 two vulnerable Adults were discussed and one individual causing ASB. The purpose of discussing vulnerable adults is to ensure that the adult is accessing all available services and support. The reason for discussing the adults causing the ASB is to jointly develop interventions to address the behaviour.

Over the year period of this report 36 individuals were referred into the ASB escalation process. This is a 12% increase compared to the same period the previous year. Of these referrals 33 came from the Police, across the whole area. Three came from partner agencies. These referrals resulted in 18 ASB first stage letters being sent to adults. Seven ASB first stage youth letters sent. Ten second stage ASB letters were sent, all concerning youth behaviour. These youths were also referred onto Youth Justice Services. One Community Protection Warning letter was issued. The first stage ASB letters are sent out directly by the Police Neighbourhood Teams at Tavistock and Okehampton.

The Community Protection Warning letter was escalated to a full Community Protection Notice (CPN). This concerned a male who was a LiveWest tenant. This was further escalated to the male receiving a Fixed Penalty Notice for breaching the CPN. This male has been offered help and support from drug and alcohol services. One Acceptable Behaviour Contract was signed and was supported by LiveWest, Tavistock Neighbourhood Policing Team, and SHDC.

There has been one Community Trigger activation. This revolved around a neighbourhood dispute in Tavistock. The case involved the Police and Environmental Health at West Devon Borough Council. Due to the involvement of John Ward the review meeting was chaired by Gary Wilson the ASB Officer at Teignbridge District Council. Further actions were recommended and have since been carried out.

One Criminal Behaviour Order was obtained by the Neighbourhood Team which was in relation to a resident who was abusing the 999 system. An Anti-Social Behaviour Injunction has recently been obtained by the Neighbourhood Policing Team concerning the behaviour of a male sleeping rough in the area. This follows joint working with both the Police and WDBC. This male has taken up a lot of resources of both the Police and WDBC and in particular the council homeless officer. This male has been offered the help and support of drug and alcohol services. At present the homeless officer is seeking to make a very necessary referral to Mental Health Services.

4. Options available and consideration of risk

The CSP continues to be intelligence led and directed by the findings of the Devon Strategic Assessment. This document guides the CSP to understand the threat, risk and harm that our communities face. From a day-to-day basis engagement with partner agencies ensures that risk is dynamically managed.
