3. Role and Function

The primary role and function of each Advisory Group will be to:

- advise and support the lead Hub Committee Member with the **delivery** of targets within the adopted 'A Plan for West Devon (3 year focus)'; and
- **look forward and horizon scan** in order to identify future issues and challenges that relate to the thematic area, generate new ideas and solutions and to plan ahead over the longer-term (for the plan period to 2043).

4. Out of Scope

The following are out of the scope of each Advisory Group:

- the delivery of targets relating to other thematic areas within the adopted 'A Plan for West Devon';
- consideration of any Task and Finish Group Review that has arisen through the Overview and Scrutiny function; and
- any regulatory matters (e.g. specific planning and/or licensing applications).

5. Governance Arrangements

Each Advisory Group has no formal decision-making powers and is accountable to the Hub Committee.

The Hub Committee will receive regular progress updates from each Advisory Group.

Appointments will be made by Council and reviewed annually.

On occasions where a vote is required, the Chairman (lead Member) will be entitled to a second (casting) vote.

There will be no provision for Substitute Members and only those appointed Advisory Group Members will be entitled to vote.

6. Meeting and Working Practices

Each Advisory Group will meet up to three times in a Municipal Year and meetings will be held remotely (over Teams), with dates being set with the agreement of the Group Chairman.

Any Member of the Council may attend a meeting of an Advisory Group and, at the discretion of the Chairman, may take part in the deliberations.

Meetings will not be open to the public and will not be live streamed.

Meetings will be scheduled to align with the formal reporting timetable to meetings of the Hub Committee and/or Full Council.

Following a meeting, brief action notes will be produced to a common format.
