Recommendations:

That the Audit and Governance Committee:

1. Notes the content of the Budget Book for 2024/25.

1. Executive summary

Attached is a copy of the Budget Book for 2024/25. This sets out the Council's Revenue Budget for the year into the four Directorates of Customer Service and Delivery, Place and Enterprise, Strategy & Governance and Strategic Finance.

2. Background

The Budget Book compares the Budget for 2023/24 against the Budget for 2024/25. Cost pressures and savings which were set out in Appendix A of the Medium Term Financial Strategy (MTFS) and agreed as part of the budget process are shown in the highlighted '24/25 MTFS Adjustments' column, with a note underneath.

A copy of the relevant MTFS appendix (Extract of the February 2024 Council report on the Budget) is shown in Appendix B of this report for information. ***The Budget Book in Appendix A reflects the Revenue Budget for 2024-25 approved at Council on 15th February 2024.***

Appendix B confirms that budget pressures amounting to £2,846,000 and savings and income generation of £1,460,000 were built into the 2024/25 base budget resulting in a net increase to the budget of £1,386,000. These movements in the base budget have been allocated to the relevant detailed lines in the 2024/25 budget book. For example, the income target for Treasury Management investment income has been increased by £800,000 for 2024/25, and this is shown in Cost Centre S6050 Interest and Investment Income.

In addition various presentational changes have been made to the 2024/25 budget shown in the 'other adjustments' column in the Budget Book. This aligns budgets to reflect current income and expenditure arrangements. These adjustments net to zero overall, as they are purely presentational.

Finally, capital charges (akin to a depreciation charge) have been realigned in 2024/25 to reflect the current position. This is a notional charge which is offset by the reversal of depreciation and therefore has no impact on the overall budget position.
